1. Read and confirmed the minutes of the last meeting.

3. Read and sanctioned estimates for certain urgent works exceeding Rs. 200 put in hand in anticipation of the Board's sanction.

5. Read Government Proceedings No. 12569-70—L. B. (458-05), dated 8th June 1906, regarding the increase of salary to office establishment.

Resolved unanimously, in view of the enormous expansion of the Board's revenue and work and the costliness of the locality, that the Government be again requested to reconsider their order, and to accord sanction to the small increase of salaries to the existing clerks as per appended proposition statement.

6. Resolved that the kind of type-writer to be purchased for the use of the Sanitary Board, be a "Smith Premier."

7. Resolved that a sum of Rs. 300 be sanctioned as grant-in-aid towards the Ooregum village school, to which the villagers have made voluntary subscriptions of over Rs. 400 and towards which the Educational Department have kindly assisted by a grant of Rs 150.

8. Read docket No. 2100—P., dated 18th April 1906, from the Senior Surgeon suggesting that a provision of Rs. 15,000 in the Medical budget for the year 1906-07, providing necessary funds for the up-keep of the Plague Hospital and Camp, Kolar Gold Field, be borne by the Sanitary Board.

Resolved that the Board do not consider it fair that they should by this arrangement be made to bear the cost of plague work on the Field, an expense from which last year they were specifically exempted.

The alteration of the title from that of Plague Hospital to Infectious Disease Hospital, does not alter the fact, that there will be wards and observation sheds, with a nursing and ward establishment, totally apart from the wards and establishment maintained for other infectious diseases.

The Board are prepared to continue to bear the cost of these, but urge that they are not in a position to also adequately undertake this cost of Plague Administration in their area.

9. Resolved that Government be requested to sanction the retention of the existing Avenue establishment now maintained at a monthly cost of Rs. 34 for a further period of five years.

10. Resolved that Government sanction be obtained for the permanent maintenance of the present temporary four ward boys for Infectious Disease ward.

11. Resolved that the sale of slaughter houses contract for the year 1906-07, for Rs. 11,850, be confirmed.

Plumer, Vice-President and E. S. Krishnaswami Iyer, District Medical and Sanitary Officer, to the Sanitary Board, during a period of over six years during which time so much has been done in the way of sanitation and improvements in every direction by their zeal and devotion to duty.
